# DEDICATION

In dedication, we wish to demonstrate our profound esteem for one who has earned that esteem in the heart of every B. U. student. A lady, a scholar, and a friend to all; she has guided us with a zealously and interest far beyond that of the average teacher. Keenly aware of the high standards of our Alma Mater, she has always sought to instill in us the desire for "the job well done." She is self-effacing on our behalf, and is ever willing to aid us in our quest for knowledge. Cognizant of the many problems we must face in our future years, she has helped us immeasurably in preparation for the road which lies ahead.

In recognition of these sterling qualities, we gratefully dedicate this book, the 1950 TOWERS, to our librarian and friend, Miss Edith Mayfield.

## OUR PURPOSE

It is the purpose of the Rho Omega Alpha Fraternity to create and maintain a spirit of good fellowship among the members of this association and the student body as a whole; to provide for clean and wholesome entertainment; to endeavor to become more proficient in the field of accounting; and to better prepare ourselves to be God-fearing and civic-conscious citizens.

## The B. S. U.

Is a youth organization for Baptists in higher institutions of learning. Every Baptist in college, graduate school, technical or professional school is a potential member of the B. S. U. He becomes an active member when he joins a Baptist church in the educational center, or any unit organization that is represented on the B. S. U. Council. Unit organizations of the B. S. U. are Sunday school classes, Young People's Unions, Y. W. A. circles, etc.

## The B. S. U.

Functions in and through the Baptist church or churches in an educational center. It functions through a B. S. U. Council composed of ten or more officers elected annually by the B. S. U. Any Baptist student is eligible for membership on the Council. The B. S. U. functions through a state B. S. U. organization and through Southwide and worldwide activities of young Baptists.

## The B. S. U.

Serves the college community. It seeks to promote spiritual development of students through Christian comradeships, Bible study, prayer, church membership, denominational loyalty, and Kingdom advancement.

## The B. S. U.

Makes Christianity collegiate, college life Christian, spirituality pre-eminent, student friendships happy, and student Christianity maximum.

*The staff of the 1950 Towers wishes to utilize this space to heartily thank the Bowling Green-Warren County Chamber of Commerce for their hearty co-operation with our advertising campaign. Their assistance and splendid support of our advertisers have made this annual possible. It is wise for the students to support those merchants who support us, for turn about is fair play.*

A detailed black and white illustration of a printer in a workshop. The printer is seated at a large, complex printing press, operating a long handle. The press is filled with various components, including a galley and a chase. In the background, there is a window with a decorative arch. The text "SCHOOL AND COLLEGE CATALOGS AND YEAR BOOKS" is prominently displayed in a stylized font at the top. At the bottom, the "McQUIDDY PRINTING COMPANY" logo is visible, featuring a circular emblem with a stylized 'M' and 'Q' and the text "NASHVILLE, TENN." below it. The entire illustration is framed by a decorative border.
